Micro Credential

“We educate leaders with holistic characteristics to serve the global community”

Course Synopsis

In this globalized world, commerce has become increasingly important. Both businessmen and businesswomen will, in the course of their work, enter into many different legal relationships with other parties.

For example, a manager of a business enterprise may enter into a contract of employment with his or her employer.

It is therefore vital that we understand the law, and how it affects our work and business.

Without a sound knowledge of the basic elements of Business Law, one may not be able to function efficiently and effectively in today's business environment

This subject provides an overview of the major aspects of business law, namely: law of contract, law of agency, sales of goods and companies law
